

Celebrating 28 Glorious Years

M A T H S CATALOGUE JULY-2024

Latest Best Quality Educational Teaching Aids

Dear Patron,

The journey that began with small steps in February 1996, with our maiden venture named VREnterprises has crossed the milestone of 26 years, entering into 27th year of service to the nation.

From starting with just a basic catalogue of educational aids for schools back then; we, at Royal Educational Stores, are now a one-stop shop for all kinds of audio -visual aids, lab equipment, study material, educational equipment sufficient to set up and running of educational institutions at all levels. All this has been possible with the untiring support bestowed on us from our esteemed patrons.

Our aim is not only to provide latest and best quality teaching aids across the globe but also to keep abreast with the best products in the industry and have an exhaustive catalog to offer to our valuable patrons.

We have scaled landmarks like :

- Inclusion of Play School products in the year 2000*
- Teaching aids for Mathematics Lab in the year 2003*
- We also stepped into manufacturing the same year.*
- The year 2012 saw us venturing into exports to the Middle East too.*
- 2013 had us diversifying into publication of children books.*

Today, we are a self sufficient unit with separate Display Office, manufacturing units, packing units and warehouse.

The thought behind this venture is to not only to facilitate Modern Education but to make learning more enjoyable and effective.

We, at Royal Educational Stores strive to keep up the quality standards we have set for ourselves and our patrons. We are grateful for your continuous support and belief in us. Let us continue to be together in scaling more milestones in the future.

Warm Regards

Team Royal Educational Stores
